

**STOCCO
ROOS DAI LENSE
MERLOT 2 YEARS FRENCH OAK AGED**

Stocco uses merlot grapes from his own vineyards to create this wine, which spend 13 months maturing in French oak barriques.

The variety's principal characteristic, such as an aroma of red berries, blend with notes of spice and balsam wood.

A wine with a good, elegant tannic structure. Serve at room temperature as an excellent accompaniment for strong flavoured, spicy dishes.
