

TERRESACRE RISPETTO MOLISE ROSSO

Elegant on the nose, with hints of ripe fruit, jam, berries, by formidable characteristics. This wine comes from Terresacre farm vineyards where yields are kept low to get the production of grape concentrate and rich in sugars and tannins. Molise Rosso has a complex structure and a deep ruby colour. It goes with red meats, pasta dishes, game and cheddar cheese.

Serve at a temperature of 18-20 ° C
(60°-64° F).
