This blend of a traditional grape of Tuscany with Cabernet Sauvignon

brings a beautiful and delicate wine, with notes of dry cherry fruit and chunky tannins of Sangiovese, the sweet red berries and long fine tannins of Cabernet Sauvignon. Give the chance to enjoy with a big varieties of food such as, pasta in a red sauce, chicken, stake, chesses, pizza or burger. This medium-weight wine is both fleshy and salivating – the characteristic cherry and fresh raspberry providing a foil to the Cabernet's structure and more opulent black fruit flavors.
